

# F.A.R. Director Candidate Statements

The following Candidates would like your consideration in becoming a F.A.R. Director to serve a three year term to begin January 1, 2018. There are 3 vacancies.

## Javier Cavazos

Since being licensed in 2002, I have spent more than half of my career in a leadership position at our Association. I have served as your MLS Chairman both

in 2011 and 2016 as well as a C.A.R. director. I have served continuously since 2008 as an MLS Committee member. I thank you for your support in my past and current roles and ask for your vote to serve

on your Fresno Board of Directors. It has been an honor representing all of you these past years and hopefully, with your continued support, will do so for the years to come. Continued Success to you!

## Lynn Heintz

C.R.S., A.B.R., G.R.I.

I have been a REALTOR® for 30 years and active with F.A.R. Leadership for 24 of those years. I served as your President in 1998, was honored as

REALTOR® of the Year in 2003, and I have been a C.A.R. Director since 1996. I served as your C.A.R. Region 12 Chair in 2005 and I currently serve as a C.A.R. Issues Chair for Land Use & Zoning. I pledge

to use my experience & dedication to continue making the best decisions for ALL the members of our Association when I am elected. Please cast your vote for Lynn Heintz. Thank you.

## Thomas Miller

My name is Thomas Miller and representing our Association would be an honor. As an Army Airborne Medic I've served our country. With 16

years as a REALTOR® and actively involved on the MLS Committee, I love serving our REALTOR® and Affiliates. We are involved in an ever increasing battle of "being the expert." Online companies and 3rd party amalgamators are

using our hard earned data against us. We are being undermined and piece by piece removed from the real estate transaction. I am asking for your support to fight for our industry, community and livelihood. Vote Thomas Miller.

## Patrick Prince

My name is Patrick Prince. My past experience includes F.A.R. MLS Chairperson (2012), F.A.R. Board of Directors (2014-2017), 2016 F.A.R. Board President,

and 2016 REALTOR® of the Year. This year I am serving on the F.A.R. Board of Directors, California Association of REALTORS® Board of Directors, and as the Vice-Chair of the C.A.R. MLS Policy Committee. I have enjoyed serving you

in all these capacities, and would be honored to have your vote so that I may continue my service to your organization. If you have any questions, concerns, or comments please don't hesitate to reach out to me directly.

## Scott Runtzel

Thank you for the possibility of serving as a director for F.A.R. Bridging the gap between REALTORS®, lenders and appraisers, we're all one team. Member of the merger transaction team between F.A.R.

and Yosemite Gateway; 2014 President and 2012 Treasurer Yosemite Gateway (total 5 years on YG board); California Association of REALTORS® Director Region 12, 2013-2015; Licensed agent since 1991, broker since 2006, state certified residential Appraiser;

Fresno State University B.A. Economics; Fresno City College A.A. and A.S.; Yosemite High School; member Santa Clara Association of REALTORS®; 12 years commercial/consumer lending experience with United Security and Central Valley Community Banks.

## Gretchen Sullivan

I have had the pleasure of being the co-chair for the MLS Tour and Speaker program for the past 2 years. I am a Central Valley native

and have lived in Fresno for the last 20 years. I serve in a leadership capacity with RE/MAX Gold and am a member of the Women's Council of REALTORS®. I would like the opportunity to expand my knowledge

of our industry and play an integral role with our local Association. I will bring my dedication to success and passion for real estate as a director. Thank you for your vote.

## Darryl Wong

Last year I completed my 3 year term on the F.A.R. MLS committee. I love assisting on the Community Outreach Committee plus a big

supporter of YPN events. I have helped to build 3 homes for Habitat for Humanity and loved every moment of it. I am also a member of Fresno/Madera NAHREP and AREA. My goal is to work for all of us to strengthen

our connections and build relationships that will bind us together. I am honored to be part of this great profession and our Association. Please, I ask for your help and personal vote for F.A.R. director. Thank you.
