

Community Outreach

Healthcare **HERO** Snack Drive

For the remarkable front-line care staff who are putting their health at risk every day to ensure ours! Some working 12+ hour shifts in head-to-toe personal protective equipment . Help keep our local hospital staff fueled and strong so they can be at their best for every patient who is counting on them!

Community Medical Centers, a not-for-profit healthcare system, is the area's largest hospital network in the 15,000 square-mile Central Valley region. It is home to the only Burn and Level 1 Trauma Centers under one roof and the leading provider of emergency relief efforts in the central part of California.
